

The Bessie Green Community's Hole in One for Hunger Golf Outing is being held at *Upper Montclair Country Club on Monday, Sept 20. It's a scramble format with a shot gun start at 12 noon and includes lunch and a cocktail reception following golf...no dinner. We've been charging \$450/golfer, but we've had some sponsorships that have gone unfilled, and I can offer several spots at the cost of \$200/golfer. Susan Leeds, Susan Miller, and Connie Cervati are already joining us. Could you send a message out to your flight and/or the Women's golf league, to see if anyone is interested in this last-minute opportunity? **We would need a response by tomorrow**...if they want to have bag tags made up for them by the club. For more information visit: www.bessiegreen.org or call 973-648.6800.*
